

REMARKS

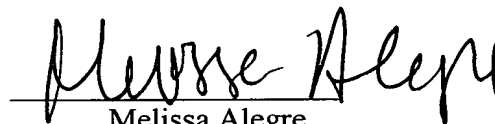

The identifier for claim 40 has been modified to “original” in compliance with 37 C.F.R. 1.121. Applicants note that the identifier “currently amended” for claim 39 is correct as the amended claim deletes the term “material.” This submission contains only the corrected Amendments to the Claims portion, as is permitted by 37 C.F.R. 1.21(h). It is respectfully submitted that this amendment contains no new matter. Prompt consideration and allowance of the application are respectfully requested.

Respectfully submitted,

KENYON & KENYON LLP
